

## Healing of Naaman: QUESTIONS OF THE WEEK

WRM Season 3 Session 3

---

**NOTE:** Questions of the Week originated with a three-fold purpose. 1. They provide the Christian Educator an opportunity to send out a weekly email to parents that not only includes the Question of the Week, but can also provide information about the current WRM session and upcoming church calendar events. 2. Questions of the Week bring Sunday morning into the middle of the week (I usually send the Question of the Week email on Wednesday) by encouraging parents and their children to talk about the current WRM story. 3. To begin each class with the Question of the Week allows the students, teacher and shepherd an opportunity to get to know each other and provides a low-stress way to practice sharing.

**Please use however you see fit.**

### Questions Of The Week

**Week 1:** In the story that we're reading for this Sunday, Naaman and the King of Aram expect the King of Israel to heal Naaman of leprosy. The king tears his clothing with distress and says, "Am I God? Is that why you expect me to do this?" The king of Israel is upset because someone expects him to do what he can't do. What's something others think you should be able to do, but you don't think you can?

**Week 2:** In the story that we're reading on Sunday, Naaman gets angry because his quest for healing is not happening the way he thought it should happen. Can you think of a time when something did not go the way you wanted it to go? What was it? What happened?

**Week 3:** In the story that we're reading on Sunday, Naaman has leprosy (a skin disease). But then he is healed – his skin is restored (made like new again!). This is like when something breaks but then you fix it. What's something that was broken that you then fixed?
