

## Walk to Emmaus: QUESTIONS OF THE WEEK

WRM Season 3 Session 9

**NOTE:** Questions of the Week originated with a three-fold purpose. 1. They provide the Christian Educator an opportunity to send out a weekly email to parents that not only includes the Question of the Week, but can also provide information about the current WRM session and upcoming church calendar events. 2. Questions of the Week bring Sunday morning into the middle of the week (I usually send the Question of the Week email on Wednesday) by encouraging parents and their children to talk about the current WRM story. 3. To begin each class with the Question of the Week allows the students, teacher and shepherd an opportunity to get to know each other and provides a low-stress way to practice sharing.

**Please use however you see fit.**

### Questions of the Week

**Week 1:** In the story that we're reading this Sunday, the travel time for the two disciples who were walking from Jerusalem to Emmaus was about 3 hours. During their walk, they talked about stories of Jesus and stories from the Old Testament. When you travel, what do you do or talk about to pass the time?

**Week 2:** In the story that we're reading this Sunday, the two disciples while they are walking talk about the stories of Jesus. Then when Jesus joins them, all three of them talk about stories from what we call the Old Testament. What is your favorite Bible story? Why?

**Week 3:** In the story that we're reading this Sunday, the two disciples finally recognize the Resurrected Jesus when he blesses (or prays) at the start of the meal and then breaks the bread. Before a meal, what kind of prayer do you and your family pray?
