

The Prodigal Son: QUESTIONS OF THE WEEK

WRM Season 3 Session 1

NOTE: Questions of the Week originated with a three-fold purpose. 1. They provide the Christian Educator an opportunity to send out a weekly email to parents that not only includes the Question of the Week, but can also provide information about the current WRM session and upcoming church calendar events. 2. Questions of the Week bring Sunday morning into the middle of the week (I usually send the Question of the Week email on Wednesday) by encouraging parents and their children to talk about the current WRM story. 3. To begin each class with the Question of the Week allows the students, teacher and shepherd an opportunity to get to know each other and provides a low-stress way to practice sharing.

Please use however you see fit.

Questions of the Week

Week 1: The word “Prodigal” means waste. What’s something that you try NOT to waste?

Week 2: In the parable of the “Prodigal Son,” the father has an abundance of love and possessions. What’s something that you have a lot of?

Week 3: The older son in the Prodigal Son is upset with the treatment of his younger brother. He thinks its unfair that he’s never a had a party thrown for him and his younger brother gets a party thrown for him even though he made lots of mistakes. What’s something that’s happened to you that you thought was unfair?
