

## Pictures for Perspective Lesson (#2)

what do you see?

to the left: the duck's beak are the rabbit's ears. Duck faces to left, rabbit faces to the right.

What do you see?

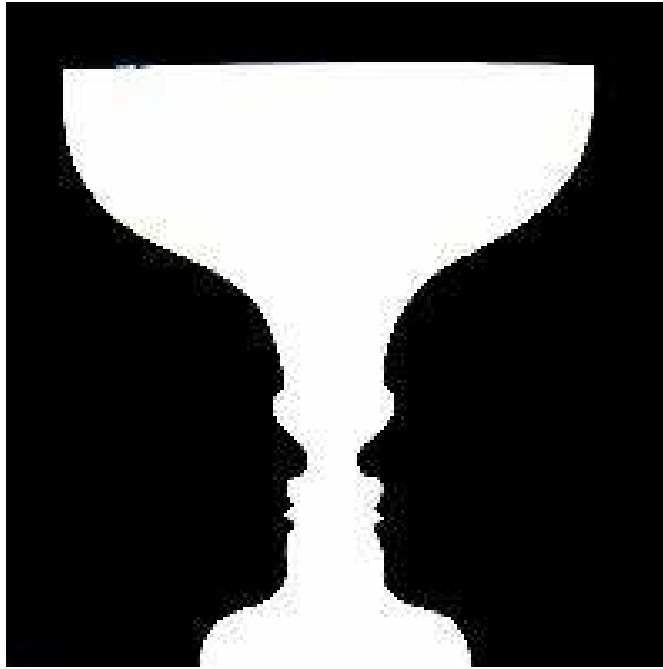

Hint: Start toward the upper left quadrant to see younger woman. Stare at the younger woman's necklace to see older lady's mouth.

Variations of last picture:

What do you see?

two faces or a goblet?

What do you see?

(soldier or bending man?)

what do you see?

Saxophone player (on the left) or woman's face (on the right)?

What do you see?

A man looking to the left or a woman with a child in her arms looking to the right (the man's ear is the child).
